Addendum No. 2
FEASIBILITY AND NEEDS ASSESSMENT SERVICES FOR ENVIRONMENTAL OPERATIONS FACILITY
RFP No. 19-05-1114

It is the responsibility of the Respondent to assure and guarantee by acknowledging the receipt of this Addendum in the Proposal that the Respondent has received the Addendum in its entirety, and that the Respondent accepts all conditions contained herein.

Question 1:
Is it a requirement to have a Texas Registered Architect on staff or can we subcontract those services?
Answer 1:
Yes

Question 2:
Since we have Texas Registered Interior Designers on staff that can provide the majority of the scope of work, can we submit to this RFP in lieu of an Architectural firm?
Answer 2:
No

Question 3:
Is having a strong background in planning research laboratories a hard requirement or a desire for the overall scope of the project?
Answer 3:
A strong background in planning research and/or commercial laboratories is required.

Question 4:
Is Pollution Liability Insurance a requirement of this RFP or is that requirement for general contractors that perform work at your site?
Answer 4:
Pollution Liability Insurance is not required for Professional Services Contracts, it will be required of General Contractor when project reaches that phase.

Sincerely,
