Brazos River Authority

January 9, 2018

Addendum No. 1
REQUEST FOR PROPOSAL
Analytical Laboratory Service
RFP No. 18-12-1057

It is the responsibility of the Proposer to assure and guarantee by acknowledging the receipt of this Addendum in the Proposal that the Proposer has received the Addendum in its entirety, and that the Proposer accepts all conditions contained herein.

Question 1:
L. SHIPPING/DELIVERY
Is it a requirement that the lab provide a courier for sample pick up or will Brazos River Authority consider shipping the samples to the contract laboratory with the contract laboratory covering the cost for shipping?
Is the BRA amenable to shipping instead of pickups?
Answer 1:
BRA will not ship. BRA will prepare the samples for pickup at the specified pickup location.

Question 2:
Are the samples being submitted in this RFP wastewater or drinking water?
Answer 2:
The samples will be collected at surface water treatment plants.

Question 3:
Can you provide further information on the location for the East Williamson County RSWTP? I was unable to locate using google maps.
Answer 3:
The address for the East Williamson County facility is 201 CR 496 Taylor, Texas 76574.

Sincerely,

Clarissa Cabrera, CTPM, CTCM
