Question 1:
Is question 3 under Tab B valid under this solicitation? It seems like it might have been a question that was part of another solicitation.
Answer 1:
The question is valid for this solicitation.

Question 2:
Being that this is an RFP, I assume we are to provide pricing. Without specific projects, are we to include only a rate sheet? If so, where should we plug into our submittal? And does it count against the page numbers?
