

Brazos River Authority

January 30, 2024

Addendum No. 1
Morris Sheppard Dam Bay 9 Transition Beam and Weir Box
RFP No. 24-1330

It is the responsibility of the Respondent to assure and guarantee by acknowledging the receipt of this Addendum in the Bid that the Respondent has received the Addendum in its entirety, and that the Respondent accepts all conditions contained herein.

Questions and Answers

- Q1:** Related to page 6, Question 3 – Will you please confirm that the required forms for TAB C, HUB Plan, and Section Tabs/Covers do not count toward the 20-page limit (in addition to already stated no count for resumes)?
- A1:** The suggested 20-page limit on submittals applies to items in Tab A and Tab B with the noted exception of resumes. Item requirements in Tab C, HUB Plan and any cover pages, table of contents, section covers, etc. do not apply to the suggested 20-page limit.
- Q2:** Related to page 7, TAB B, Question 3 - Does the BRA want to see the branch of engineering for all proposed engineers, or just the ones with the II or 16-hour exams?
- A2:** We only need to see the PE Branch detail for Structural Engineers.

Sincerely,

Allison Sheeler
