Long-Term Support for Environmental Flow Initiatives Related to Development of Water
Management Plan
RFP No. 12-01-664**

Addendum No. 1

Dear Prospective Proposer (s):

It is the responsibility of the Proposer to assure and guarantee by acknowledging the receipt of this Addendum on the Addendum Form that the Proposer has received the Addendum in its entirety, and that the Proposer accepts all conditions contained herein.

Please include the following responses to questions received as of noon, Wednesday, December 28 in your proposal for the above mentioned project:

- Q1. What is the status of the BRA's efforts to assess and manage possible impacts to archeological and other cultural resources under state and federal cultural resource management laws (Antiquities Code of Texas, Section 404 of CWA, Section 106 of NHPA, etc.)?
- A. Project does not involve land clearing, construction, dredging or filling nor will the outcome of the project lead to such activities.**
- Q2. Can you make available a list of BRA's prequalified firms and individuals who have expressed interest or asked questions regarding this RFP?
- A. There is no list. We have not received any questions from any firms regarding this RFP nor have any firms have expressed an interest in this RFP.**

Thank you for your participation.

Sincerely,

Jose G. (Lupe) Diaz
