- **Cyber Lab**

TEEX ADVANTAGES

- **Rapid Implementation**
- **Consistency of Operations**
- **Professional Reliability from a
Proven Performance Provider**

LCRA & North Texas Water District

ALLIANCE RECOMMENDATION

Per Governor's Executive Order (2004)

All State agencies must develop written risk management & safety programs to:

- Minimize risk of job accidents, injuries, death.
- Establish performance and accountability standards.
- Provide safety & health training/education.

BRA recommends that HASPs align with Texas State Office of Risk Management guidelines, Industry Standards & Best Management Practices

RESOLUTION

“BE IT RESOLVED that the Board of Directors of the Brazos River Authority hereby authorizes the General Manager/CEO to enter into an Interlocal Agreement with the Texas A&M Engineering and Extension Service (TEEX) to provide training and services to enhancing the Brazos River Authority’s Health & Safety Program (HASP) and related issues, in an amount not to exceed \$250,000.”
