Re: Termination of Lake Proctor Stage 1 Drought Watch Declaration

Dear Mr. Sorrells:

Your entity was notified of the Stage 1 Drought Watch declaration on August 26, 2020. Recent rain events have resulted in significant improvements to the water supply at Lake Proctor, which is now over 1.5 feet above the Stage 1 Drought Watch trigger elevation of 1158.2 feet above mean sea level.

Therefore, the Brazos River Authority (BRA) is terminating the Stage 1 Drought Watch declaration for Lake Proctor. The BRA will coordinate with you as necessary in accordance with the BRA's Drought Contingency Plan when drought conditions reoccur.

If you have questions, please contact Amy Muttoni, Regional Government and Customer Relations Manager for the Central Basin, at (254) 761-3165.

Sincerely,

DAVID COLLINSWORTH
