

BRAZOS RIVER AUTHORITY

TERMS AND CONDITIONS OF THE WATERFOWL HUNTING PERMIT

All hunting of waterfowl shall be conducted in full compliance with the following terms and conditions:

1. Hunting on Authority Lakes is limited to hunting of waterfowl in season from a stationary blind at a fixed location in or on the Lakes, as specifically permitted by the Authority. **ANY OTHER HUNTING ON AUTHORITY LAKES IS STRICTLY PROHIBITED.**
2. Written permits for waterfowl hunting sites shall be issued by the Area Project Manager and must be presented at the permitted site upon request by law enforcement officials.
3. The hunting of waterfowl on Lake shall be conducted in accordance with all applicable provisions and requirements of the Federal, State and local laws.
4. No hunting site shall be allowed within 1500 feet of any lakeside building or structure or any facility for commercial or private use that is situated in or on Lake, or within 1000 feet of another hunting site.
5. No more than four (4) hunters shall be allowed to simultaneously use or occupy any given permitted waterfowl hunting site.
6. Where hunting sites are marked by the Authority, all hunting from such sites must be conducted from within a radius of two hundred (200) feet of the marker.
7. No trash, garbage, debris, sewage or other types of waste, including shell casings, shall be discharged, dropped or dumped into the lake.
8. Any stationary blind of any type that is placed in or on Lake at the hunting site which is permitted hereunder, must be removed from the lake within ten (10) days following the close of the hunting season for which this permit has been issued. Any such blind that is not satisfactorily removed by the stated date will be seized or destroyed, and the Permittee will not be eligible to receive a waterfowl hunting site permit during the next hunting season.
9. The permit for a waterfowl hunting site may be revoked by the Authority for violation of any applicable law or regulation, including the terms and conditions of this permit. In the event of revocation, the full permit fee shall be retained by the Authority.

PERMITTEE UNDERSTANDS THAT THE LAKE LEVEL WILL NOT BE CONSTANT AND MAY DROP AS MUCH AS 33 FEET, OR MORE, DURING DROUGHT PERIODS; ALSO, THE LAKE LEVEL MAY RISE SIGNIFICANTLY DURING FLOODS.
