INSTRUCTIONS

1. One copy of this completed application form, together with the \$60.00 fee, the scale drawing and any additional information required herein, shall be mailed to the Brazos River Authority, 301 Observation Point Road, Graford, Texas 76449-4585.
2. Enclose a check or money order in the amount of \$60.00 to cover the following charges:
 - a. Fee for the On-Site Wastewater Treatment Research Council to be submitted to the TCEQ\$10.00
 - b. Processing the application, reviewing the data concerning the proposed alteration, modification, extension or repair of the licensed facility and issuing an authorization to proceed with the work\$10.00
 - c. Field inspection during construction of the approved alteration, modification, extension or repair.....\$40.00
3. Work on altering, extending or repairing the licensed on-site sewage facility shall not be initiated until authorization for such work is received from the Authority, unless an emergency condition exists.
4. No individual shall be compensated for installing, constructing, altering, extending or repairing an on-site sewage facility, unless that person is properly certified for the required level of expertise by the TCEQ.
5. The Authority shall issue a new license for the modified on-site sewage facility, if the authorized and approved alterations or extensions substantially change the load handling capabilities of the facility.
6. This application will expire if the approved alteration, extension or repair is not completed within one year from the date that the authorization to proceed with the work is issued. If the owner wishes to thereafter alter, extend or repair the licensed facility, it will be necessary to submit a new application, sketch and fee. **No refund will be made.**
7. Additional information and forms may be secured from the Brazos River Authority at the address shown in Item 1., above, telephone number 940-779-2321.
